

Alder Coppice Primary School

YEAR 6

# George Hobbs

Hello my name is George and I am in year 6. I am 10 years old and I am born on the 9<sup>th</sup> March 1999. I am in 6F and my teacher is Mr Findon who is a wonderfully funny teacher. My favourite lesson is P.E or Maths. I have 1 dog and 4 guinea pigs. My favourite famous person is a footballer called Steven Gerrard. He plays for Liverpool and plays for England.

My hobbies are football, cricket, golf and swimming. My favourite hobby is football. I play for a football team outside of school and play for Netherton Colts.

My favourite memory is going to Barton Hall in Torquay. My favourite memory there would have to be being 90 foot high in the air on a huge swing.

# Sasha Williams

Hello my name is Sasha and I am in year 6. I am 10 years old and was born in 1999. I am in 6M and my teacher is Mr Morris who is fun and understanding! My favourite lessons are art/DT, history and English. My favourite famous person is Cheryl Cole(I must be her number 1 fan) and is the best singer ever(in my opinion.)

My hobbies are singing, swimming, making things and going on my bike. My favourite of all the 3 are singing. Reason 1:I sing nearly everywhere. Reason 2: My favourite famous person is Cheryl Cole. Reason 3: I am in the school choir and we do lots of concerts and I thoroughly enjoy it. Reason 4: My biggest dream when I become older is to be a famous singer!

My favourite memory at Alder Coppice so far is Barton Hall in Torquay. The best thing there for me was the zip wire because it was fun and it really left me smiling.

# ABOUT THE SCHOOL!

We have 2 computers in every class and use them every day. We have interactive whiteboards and you can interact and draw, play and go on the internet on it. We have whiteboards, not blackboards and you can write on it in coloured pens. We have a lot of bulletin boards in the classes and use them to display children's work. We don't sit in rows in our desks, we sit in 4's or 6's. We also have cloakrooms in our classrooms to hang our coats and bags.

## Lessons and Jobs

We have : Maths , English, PE, RE, PSHE/SEAL, Science, History, Geography, Art/DT, Music, French and guided reading.

We have monitors and they have to do a variety of jobs for example: doors, gardening, fish tank, energy watch, library, messages, assembly, house points, prefects, school councillors and school ambassadors(head boy/head girl.)

# Assessments

We have tests at the end of every year and they are called QCA's. At the end of year 6 we have SATS which can help the teachers decide how capable you are and they help our parents decide which secondary schools we should go to. Our teachers don't decide which school we go to. Our parents and us make a decision. I am sitting the Girls High test( Grammar school for girls) and George is going to Dormston.

# Upper School and Lower School

# Differences

In our school we have 2 different halls and we meet in both of them. We eat and do PE in them. We have to wear a school uniform. We go to school from 8.50 to 3.15. We have 3 playgrounds: one for the Lower School, reception, year 1 and year 2, one for the upper school and the other one we use for the yr3+4 for 3 days.

Here is one of the upper school's playgrounds

WE ARE REALLY LOOKING  
FORWARD TO MEETING OUR  
FRIENDS FROM AUSTRIA IN  
SPRING!
